1. SYSTEM OVERVIEW

The Sunnah Remedies Academy Certification System is designed as a **multi-tier credential architecture** where every certificate feels like receiving an award from a prestigious academic institution. The system spans four achievement tiers, each with escalating material luxury, security complexity, and symbolic weight.

Core Principles:

- **Prestige at every level** — Even the foundational certificate must feel significant
- **Tangible value** — Physical certificates use materials that communicate worth
- **Unforgeable trust** — Multi-layer security makes counterfeiting economically unviable

- **Digital-native verification** — Blockchain anchoring ensures perpetual authenticity
- **Islamic aesthetic integrity** — Every design decision honours sacred visual tradition

2. CERTIFICATE TIERS

2.1 COMPLETION CERTIFICATE

Tier Level: Foundation
Awarded for: Successful completion of any single Academy course (40+ hours)

Eligibility Criteria

- Complete all course modules
- Pass final assessment (80% minimum)
- Submit practical case study
- Attend minimum 90% of live sessions

Design Specifications

Element	Specification
Foil	Single colour —Academy Gold
Paper	300gsm cotton wove (Crane’ s Crest Natural White)
Seal	Blind embossed Academy crest (no foil)
Signatures	Course Instructor only
Border	Single-weight gold foil line
Certificate Number	SRA-CC-YYYY-#####

Visual Character Professional, warm, and celebratory. The Completion Certificate says “*You have achieved something meaningful.*” It is not merely a receipt of attendance — it is the first step in a sacred lineage of healers.

2.2 DISTINCTION CERTIFICATE

Tier Level: Excellence
Awarded for: Exceptional performance (95%+) with peer-reviewed contribution

Eligibility Criteria

- All Completion Certificate requirements
- 95% or above cumulative score
- Peer-reviewed case study published in Academy journal
- Demonstrated community mentorship

Design Specifications

Element	Specification
Foil	Dual colour —Academy Gold + Islamic Green accent
Paper	350gsm cotton (Crane’ s Lettra Fluorescent White)
Seal	Embossed crest with gold foil border
Signatures	Course Instructor + Department Head
Border	Gold foil with green accent corners
Special Feature	Woven ribbon motif (subtle, integrated into border design)
Certificate Number	SRA-DC-YYYY-####

Visual Character Elevated and distinguished. The green accent signals growth and excellence. The Distinction Certificate says “*You have exceeded expectation.*”

2.3 INSTRUCTOR CERTIFICATE

Tier Level: Authority
Awarded for: Authorisation to teach Academy curriculum under supervision

Eligibility Criteria

- Hold Master Practitioner Certificate
- 5+ years clinical practice
- Complete Instructor Training Programme (120 hours)
- Pass teaching assessment panel
- Annual recertification required

Design Specifications

Element	Specification
Foil	Triple colour —Gold + Green + Deep Navy
Paper	400gsm cotton (Arches Text Wove, deckle edge option)
Seal	Full foil Academy crest with raised embossing
Signatures	Instructor + Department Head + Academy Director
Border	Intricate Islamic geometric pattern, gold with green inner line
Special Feature	Holographic security overlay; silk ribbon border (physical)
Certificate Number	SRA-IC-YYYY-####

Visual Character Authoritative and commanding. The triple-foil system and holographic element signal that this credential carries teaching authority. The Instructor Certificate says “*You are entrusted with sacred knowledge.*”

2.4 MASTER PRACTITIONER CERTIFICATE

Tier Level: Mastery
Awarded for: Mastery of all disciplines with original contribution to the field

Eligibility Criteria

- Complete all Academy certification tracks
- 10+ years documented practice
- Publish original research in peer-reviewed journal
- Present at Academy international conference
- Unanimous approval by Academy Council

Design Specifications

Element	Specification
Foil	Full spectrum –Gold + Green + Navy + Rose Gold
Paper	450gsm cotton rag (Hahnemühle Britannia, hand-torn edges)
Seal	Deep sculptural emboss + full foil + hand-applied wax seal
Signatures	All four: Instructor, Department Head, Director, Council Chair
Border	Full arabesque sculptural border, hand-tooled die
Special Features	Hand-calligraphed Arabic name; gilded edges; leather presentation folder
Certificate Number	SRA-MPC-YYYY-####

Visual Character Museum-grade heirloom. The Master Practitioner Certificate is an artifact — something to be framed, preserved, and passed down. It says “*You have joined the lineage of masters.*”

3. DIGITAL CERTIFICATES

Platform Architecture

- **Blockchain:** Custom Academy chain (Ethereum-based, low-carbon proof-of-stake)
- **Storage:** IPFS (InterPlanetary File System) for decentralised certificate images
- **Hashing:** SHA-256 for all certificate data

Features

Feature	Description
QR Code	Links to live verification page with real-time status
Cryptographic Hash	Unique, immutable fingerprint of certificate data
LinkedIn Integration	One-click badge addition to professional profile
PDF Download	Digital-signed PDF with embedded verification metadata
Expiry Tracking	Automatic recertification reminders
Social Share Card	Optimised 1200×630px image for social media sharing

Digital Design

- Responsive layout optimised for all devices
- Animated CSS foil effect on hover
- Parallax Academy crest on scroll

- Dark mode optimised
- No decorative elements that compromise accessibility

4. PRINTED CERTIFICATES

Production Specifications

Print Process: Letterpress + Foil stamping + Embossing + Edge gilding (Master only)

Printer Recommendation: Hobbs of London or equivalent specialist security printer

Minimum Order: 500 sheets per batch (watermark customisation requires 5,000+ sheets)

Paper Recommendations by Tier

Tier	Paper	Weight	Finish	Rationale
Completion	Crane’ s Crest 100% Cotton Wove	300gsm	Smooth, natural texture	Professional warmth
Distinction	Crane’ s Lettra 100% Cotton	350gsm	Soft-touch, pillowy	Luxurious feel, excellent foil adhesion
Instructor	Arches Text Wove 100% Cotton	400gsm	Subtle laid lines, deckle edge	Traditional academic gravitas
Master Practitioner	Hahnemühle Britannia 100% Cotton Rag	450gsm	Hand-torn edges, visible fibre	Museum-grade archival standard

5. SECURITY FEATURES

Eight-Layer Security Architecture

Layer	Feature	Description
1	Microtext	Border contains 0.5pt repeating text “SUNNAH REMEDIES ACADEMY” –visible only under 10x magnification

12. PAPER RECOMMENDATIONS

Detailed Paper Specifications

Completion — Crane’s Crest 100% Cotton Wove

- Weight: 300gsm
- Colour: Natural White
- Finish: Smooth with subtle texture
- Why: Professional weight with natural fibre warmth. Excellent for single-foil applications.

Distinction — Crane’s Lettra 100% Cotton

- Weight: 350gsm
- Colour: Fluorescent White
- Finish: Soft-touch, pillowy texture
- Why: Luxurious feel with superb foil adhesion. The pillowy surface makes embossing particularly effective.

Instructor — Arches Text Wove 100% Cotton

- Weight: 400gsm
- Colour: Natural White
- Finish: Subtle laid lines, deckle edge available
- Why: Traditional academic gravitas. The laid lines evoke centuries of scholarly tradition.

Master Practitioner — Hahnemühle Britannia 100% Cotton Rag

- Weight: 450gsm
- Colour: Warm White
- Finish: Hand-torn edges, visible fibre texture

- Why: Museum-grade archival standard. Heirloom quality that will last centuries. The visible cotton fibres communicate authenticity.

13. WATERMARK

Design

Primary Element: Simplified line version of Academy crest

Secondary Element: Arabic calligraphy — “ ” (Healing is in the Sunnah)

Tertiary Element: Repeating geometric Islamic pattern (subtle background texture)

Characteristics

- Visible only when certificate is held to light
- Invisible when laid flat on a surface
- Cannot be photocopied or scanned accurately
- Custom dandy roll manufactured by paper mill
- Minimum order: 5,000 sheets per watermark design

14. CERTIFICATE NUMBERING

Format: SRA-[TYPE]-YYYY-####-C

Segment	Meaning	Example
SRA	Fixed prefix: Sunnah Remedies Academy	SRA
TYPE	Certificate type code	CC / DC / IC / MPC
YYYY	4-digit year of issue	2026
####	5-digit sequential number (resets annually)	00042
C	Modulo 11 check digit for validation	7

Example: SRA-MPC-2026-00042-7

Check Digit Algorithm

- Sum of weighted digits modulo 11
- Validates certificate number integrity
- Prevents random number guessing attacks

15. CERTIFICATE DATABASE

Architecture

Component	Specification
Primary Database	PostgreSQL with AES-256 encryption at rest
Backup	Daily encrypted backups, geographically distributed
Blockchain Anchor	SHA-256 hash written to Ethereum blockchain
Access Control	Role-based (RBAC) with MFA for all admin users

Data Fields

- Certificate Number (unique, indexed)
- Recipient Full Name
- Recipient Email
- Recipient National ID/Passport (encrypted)
- Certificate Type
- Course/Programme Name
- Issue Date
- Expiry Date
- Status (Active / Expired / Revoked / Suspended)
- Blockchain Transaction Hash
- IPFS Content Identifier
- Physical Print Batch Number
- Security Feature Verification Log
- Revocation Reason (if applicable)

API Endpoints

Method	Endpoint	Purpose	Access
POST	/certificates	Issue new certificate	Admin only
GET	/certificates/{number}	Retrieve full details	Admin only
PUT	/certificates/{number}/revoke	Revoke certificate	Admin only
GET	/verify/{number}	Public verification	Public
GET	/verify/qr/{hash}	QR code verification	Public

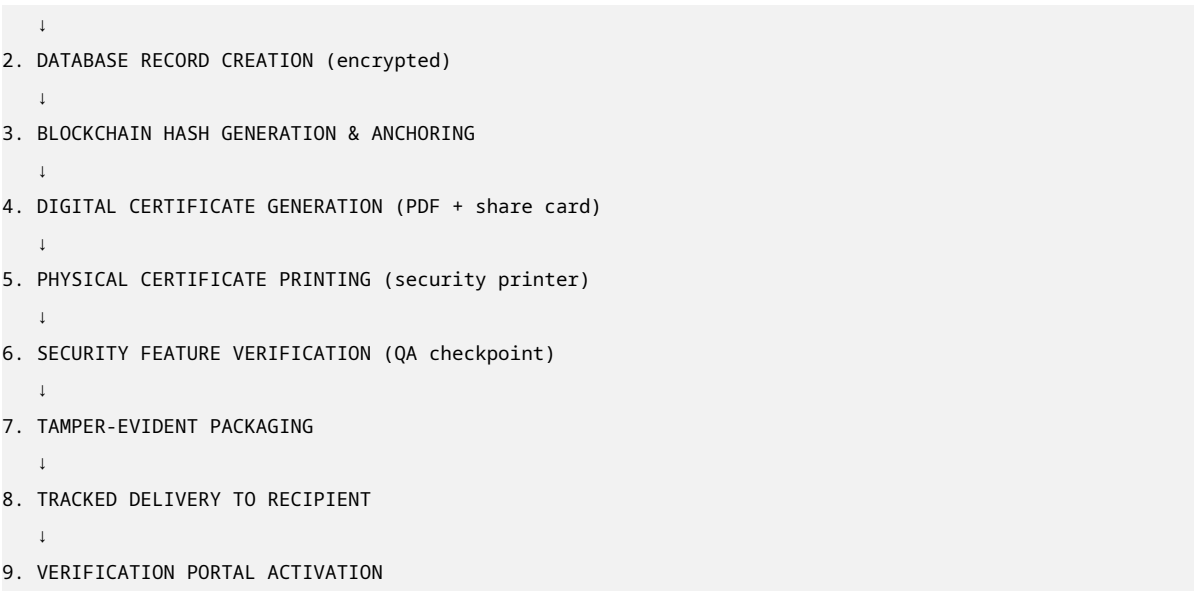

Compliance

- GDPR compliant (EU recipients)
- POPIA compliant (South African recipients)
- SOC 2 Type II certified infrastructure

16. PRODUCTION WORKFLOW

Certificate Lifecycle

1. ELIGIBILITY VERIFICATION

Quality Control Checkpoints

Checkpoint	Responsibility	Criteria
Pre-press	Security Printer	Foil registration, emboss depth, colour accuracy
Post-press	Academy QA	Security feature verification, numbering accuracy, signature alignment
Packaging	Academy Logistics	Tamper-evident seal integrity, tracking label attachment
Digital	Academy IT	Blockchain confirmation, IPFS propagation, QR code functionality
